

Japanese Film Screening with English Subtitles

This is the first film adaptation of *The Tale of Genji*.

About Story : KIRITSUBO who monopolized the affection and attention of the Emperor gives birth to a darling baby boy, HIKARU, but is unable to regain her health and remains bedridden until death when HIKARU is still only 5 years old. HIKARU grows up to become a most handsome youth, and he becomes the center of attraction of the women in the palace.

About Movie : As the Heian era had not previously been portrayed in the cinema or on the stage, YOSHIMURA KOZABURO and his crew were at great pains to reproduce the manners and customs of the period with utmost accuracy.
